

BlikaWorkshop

Mobile workstation

VVM-1.3

The exclusive VVM-1.3 mobile workstation is designed for demanding workshop environments where **functionality, durability, and organisation** are essential.

Equipped with two spacious **SS-1.6A** drawer cabinets, each featuring six drawers with **100% full-extension** steel ball-bearing slides. A centrally positioned **VS-1.2** tool cabinet with one adjustable galvanized shelf, the workstation provides optimal storage capacity and efficient organisation of tools and equipment.

The mobile workstation is fitted with a strong **multiplex worktop**, providing a durable and stable workstation for assembly, repair and service tasks. 4 swivel castors, 2 which are fitted with brakes, ensure excellent mobility while maintaining stability, even when the workstation is fully loaded.

All three sections are equipped with **keyed-alike locks**, ensuring both secure storage and convenient operation in a busy working environment.

Load capacity VVM-1.3 mobile workstation:

- 45 kg per drawer
- 40 kg per shelf
- Maximum load capacity (evenly distributed) 300 kg
